SERVICE & OFFERINGS GUIDE

Small brands. Made loud.

2026 EDITION

OUR CAPABILITIES

What We Build For You

1. Premium Web Design

- Bespoke design styled to match your unique neighborhood vibe.
- Interactive, scroll-driven layouts with clean GSAP micro-interactions.
- **Anti-Generic AI look — deliberately distinctive, high-end layouts.**
- 1-tap booking flow routed directly to your personal WhatsApp.

We don't do template slop. We code elite digital storefronts that convert visitors into walk-in foot traffic.

2. High-Retention Reels

- Cinematic horizontal/vertical edits using local raw phone footage.
- Word-by-word bouncing captions styled in our signature Fraunces look.
- **Retention-hook overlays: phone chats, checklists, live notifications.**
- Dynamic SFX mapping: paper rips, camera clicks, deep ambient swooshes.

No lazy AI templates. We script, design, and programmatically compile reels that capture actual local eyeballs.

3. Local SEO & Maps

- Complete setup, keyword optimization & verification on Google Maps.
- Organic local ranking drive so you capture high-intent searches.
- **AI Search Visibility (llms.txt) — optimized for future AI discovery engines.**
- Custom physical Tabletop QR codes for instant counter reviews.

The highest-intent organic growth tool there is. Dominate the maps when someone searches "near me".

4. Smart AI Assistant

- Our custom WhatsApp "Chotu" assistant trained with your FAQs.
- 24/7 instant auto-response to capture buyers while you sleep.
- **Automated broadcast updates for daily catalogs, rates, or announcements.**
- Friction-free setup on the official WhatsApp Business API framework.

A dedicated AI assistant named after your business, built to save time and capture leads instantly.
